2006 TESORO (Treasure)

PROPRIETARY BLEND, SONOMA COUNTY

VINEYARD

Three vineyards contributed the grapes for our Tesoro. The Sangiovese is from Merlo Vineyards and the Syrah is from Unti Vineyards, both in Dry Creek Valley. The Cabernet Sauvignon came from Ty Caton Vineyards in Sonoma Valley. All were grown with care and hand picked at the peak of their flavor profile.

VINTAGE

2006 was a great year for growing grapes. An early start and long, hot summer days cooling off at night allowed extra long time for ultra ripe fruit.

WINEMAKING

Each of these varietals was fermented separately and blended only after bench samples proved that we had achieved our goal of a graceful and authentic blend made in a super Tuscan style.

TASTING NOTES

This wine has a deep intense color. The aroma is dominated by blueberry, boysenberry and dark fruit. It has complex hints of chocolate, dried herbs and toasty oak, with a spicy sandalwood, white pepper element. The flavors are rich, full fruit at first and continue to the finish with chewy, full tannins.

AWARDS

2008 Orange County Fair Wine Competition ~ Gold
2008 Los Angeles International Wine Awards ~ Silver

Drink now, or cellar for up to five years. Enjoy ~
