2007 SANGIOVESE
MONTE TERRA VINEYARDS
SONOMA VALLEY, SONOMA COUNTY

VINEYARD

This is our all organic estate Sangiovese, grown on a hot, southwest hillside. The vines enjoy the red earth with it's high iron. These vines are now eight years old, old enough to know how to grow intense fruit. All hand-tended.

VINTAGE

The 2007 vintage was low quantity with great quality. An ideal growing season with very small clusters.

WINEMAKING

Simply grow great fruit and treat the wine lightly at the winery; it will make itself into a great wine. Very hands-off. Barrel aged for 18 months.

TASTING NOTES

Enjoy the aroma of spicy cinnamon and orange peel, fresh raspberries and rose petals. Savor the bright raspberry and cherry flavors with a smooth, long finish. A great food wine.

Drink now, or cellar for five to seven years.

Enjoy ~

Michael Muscardini
