## 2007 TESORO (Treasure) PROPRIETARY RED BLEND, SONOMA COUNTY

### VINEYARD

Four vineyards contribute to the grapes for our Tesoro. The Sangiovese is a blend from two vineyards: Favero Vineyards, Sonoma Valley and Merlo Vineyards of Dry Creek Valley. The Syrah is from Unti Vineyards, Dry Creek Valley. Finally, the Cabernet is from Ty Caton Vineyards in Sonoma Valley.

### VINTAGE

The 2007 growing season produced great quality with less quantity.

### WINEMAKING

Each of these varietals was fermented separately and blended three months before bottling. This graceful, authentic blend was made in a Super Tuscan style.

### TASTING NOTES

Enjoy the aromas of plums, chocolate and dark fruit with a hint of herbs. Savor the full fruit with hints of ripe boysenberry. The finish is beautifully balanced with velvety tannins. Enjoy with food.

### AWARDS

2010 San Francisco Chronicle Wine Competition ~ Silver  
2009 Orange County Fair Wine Competition ~ Gold

Drink now or cellar for five to seven years. Enjoy ~
