GRAPPA di SANGIOVESE
MONTE ROSSO VINEYARD, SONOMA VALLEY

This is our first Grappa, made from Sangiovese grape pomace. The grapes are from the Monte Rosso Vineyards in Sonoma Valley.

TASTING NOTES

The combination of fresh juicy pomace and old world method distilling produced this Grappa, which is soft and elegant with a touch of sweetness in the mouth.

The Italians serve Grappa after a full meal. Enjoy with friends.

Enjoy ~
